Any association may add/transfer members, however when adding or transferring members, the organization will be charged a \$39 administration fee. Example: Your organization is at Level I, 2-4 members. Currently you have 2 individuals as members. If you added 2 additional members from your organization, you would simply pay \$39 for each member to add them. If you wanted to add a 5<sup>th</sup> person, which would cause you to move to a Level II membership, you could add them at the additional individual pro-rated amount. During the next dues billing cycle, you would be given the option to renew the five members at Level II, or change to another level.

### Charlotte Chapter Membership
