	Level III	11-14 memberships	\$1,465
	Level IV	15-20 memberships	\$2,080
	Level V	21-30 memberships	\$3,120

(Add \$105 for each additional group individual memberships 31 and above)

Any association may add/transfer members, however when adding or transferring members, the organization will be charged a \$45 administration fee. If additional members are requested to be added and it would cause the number of memberships to rise to the next group level, the organization will be permitted to add those member(s) at the additional individual pro-rated amount.

Example: Your organization is at Level I, 2-4 members. Currently you have 2 individuals as members. If you added 2 additional members from your organization, you would simply pay \$45 for each member to add them. If you wanted to add a 5th person, which would cause you to move to a Level II membership, you could add them at the additional individual pro-rated amount. During the next dues billing cycle, you would be given the option to renew the five members at Level II, or change to another level.

Membership Transfers

A membership can be transferred from one person to another within the same company for an administration fee of \$45.
